Message from the President

Happy New Year!! I hope everyone had a wonderful couple of holiday weeks. We sure started off nicely with our special breakfast and social time on the 22nd of December! I loved hearing the laughter and seeing members truly enjoying one another. For my family, Christmas was one of the best gatherings we've had in years! However, it started out kind of rough when it took four of us about 12 hours to make a trip we usually make in half that time. Just the portion from Bellevue to Cle Elum over the pass took almost five hours—and then the pass was closed behind us. The following day our oldest son and wife were unable to take Snoqualmie Pass—normally a 4-hour trip—so they had an 11-hour trip over a very circuitous route to my mom's. But Christmas/Birthday dinner finally found 18 of us gathered—my 89-year-old mom with her children, grandchildren, and her one great-grandchild. (Well, 19 if you count our first grandchild expected in June 2016—smiley face). The fact that family members made it from New Hampshire, Indiana, California, and five places in Washington to a very wintery Grand Coulee Dam was pretty amazing in itself!

Also amazing is this club! It's so heartwarming to look back on the past six months and picture all of you “doing your thing.” We've worked hard to raise more funds—we've distributed almost all of our \$11,000 of committed funds (budgeted amounts to designated programs and other non-profits), we've participated and served with dignity in several community projects and awareness events, we're sponsoring a woman survivor of war in South Sudan so that she can have a better life, we're building relationships with young girls in our community through book clubs and tutoring, and we've also done some fun things for ourselves and learned more about each other in the process. In the *Giraffes Can't Dance* children's book I read at installation, Gerald the giraffe found out he could dance once he found his own special music. I think each one of you has found your “music” and you are “dancing” for the good of the club.

Looking back makes looking forward to the next six months very encouraging. We know we will be doing some major fundraising, but we'll have fun in the process, and it's my hope we will also find a couple more projects to work on before my term is up. As you know, my heart is in doing things hands-on. Join me, keep “dancing” to your own music, and let's continue *Reaching Higher Through Dignity of Service!*

President Jane

Letter from the Editor

Dear Friends,

Soroptimist used to have an award titled Making a Difference for Women. In 2009 the name was changed to the Ruby Award—in honor of the first federation President, Ruby Lee Minar. I often see meaning in words/phrases that others do not. In Make A Difference I saw MAD. What does it mean to make a difference? How do we know if we are MAD?

One morning in early December I went into Safeway to pick up a few things. The gal who scanned my groceries was a past recipient of one of our club's scholarships. She asked if we were going to be singing soon. I told her we weren't and she said that was too bad because we were the only group who sang.

She was referring to our club doing bell ringing. For years, one Saturday between Thanksgiving and Christmas, some club members volunteered to ring bells outside of Safeway for the Salvation Army. They even had aprons made up with the word Soroptimist on them. Eight years ago Safeway said they would not allow the ringing of bells. It was never clear why. Not to be deterred, our club decided to **sing** instead of ring. Kate Creasey and Barb Thompson—two of our club's primo singers—put together a collection of songs and made books for the club to use. The no-ringing bell ringing went on for two years. Then Safeway said they would again allow the ringing of bells. Our club so enjoyed the singing that we decided to continue it—and intersperse some ringing.

Singing is not my strong suit. I can carry a tune—if it's in my pocket. I would sign up for the same time Kate or Barb would be there because I could follow along with them. There were some shoppers who would sing with us as they walked from the parking lot into Safeway—or as they exited the store and walked to their cars. It was a lot of fun! It put people into the holiday spirit.

We haven't done the bell ringing/singing since 2012. I was surprised when the clerk asked me about it. After three years, she still remembered our singing. It shows we did make a difference.

At our holiday party last month I sat at a table with Barb Thompson. Part of the festivities was to sing Christmas carols. There were books on the table—the same books Barb and Kate had made back in 2008. Barb picked one up and commented about that—and then she asked why we don't do bell ringing anymore. I replied that during the summer of 2013 the club held a brainstorming meeting where members voted for their favorite activities. The top few were chosen to keep; bell ringing wasn't one of the top few, so the club stopped doing it. Barb said it doesn't take the entire club to do the activity and she'd like to see it make a comeback.

Kathryn Pacelli, our President-elect, was sitting across the table from us. She is a musician in her own right. We talked about the possibility of bringing the bell ringing back. I (half) jokingly said that Barb could spearhead the comeback of our singing/ringing. We'll see how the spirit moves us for next year. A seed has been planted for us to be MAD.

One of the definitions of **mad** is: *overcome by desire, eagerness, enthusiasm, etc.* When we give from our hearts—when we share our passion for life—we make a difference. Sometimes that difference is something we don't even know (unless someone tells us)—such as with the gal at Safeway. Imagine how many other lives we have influenced and how many more lives we will influence as we reach higher with dignity of service!

Light and Love,
Kathy Purcell, Editor

PROGRAM FOR JANUARY 26, 2016

Our Program for January will be speakers from Habitat for Humanity of Clallam County (HFHCC). Colleen Robinson is the *Community Outreach Director for Habitat for Humanity of Clallam County*. She came on board with HFHCC in January of 2015! You may remember Colleen from her years working with the North Olympic Foster Parent Association (NOFPA) and their collaboration with our club.

Also, the Executive Director, Cyndi Hueth, will be accompanying her. They would like to speak to our group about HFH’s new program in Sequim...*Neighborhood Revitalization!*

We look forward to learning about this vital organization and how we can help!

SOCKS FOR SOCKS

During this past summer, a lady in Port Angeles called me explaining that she had, for 11 years, been furnishing a live Christmas tree for the Healthy Families gathering room and covering it with teddy bears.

She was doing this all on her own—for the joy of knowing children in crisis could take a bear from the tree and have something cuddly to hold onto. After 11 years, she was looking for someone else to take over and Becca gave her my number!

Becca shared that she would like to see warm socks, a year round need at Healthy Families, on the tree instead of bears. After speaking with President Jane, we decided it would be a "side" club project, only participate if you feel the urge, not club budgeted.

Well, I'm happy to report that many of you felt the urge, because Jan Chapman and I hung more than 100 pairs of bright, warm, fluffy socks—for all ages, for boys, girls, men and women. Individually tied with pretty gold ribbon and easily accessible for picking, the cozy foot love dressed a beautiful, live tree and has been greatly appreciated by all. We will continue to make the Soroptimist Sock Tree an annual giving event. So, if you feel more urge—and we hope you will—keep an eye out for sales year-round. Now is super sale time; if your heart drags you over to the sock aisle, don't fight it! Use your Penney's "\$10 off \$10" coupons. If you don't feel like shopping, call me; I'll pick them up and use them for you.

Joan Miller, one of our newer members and knitting goddess, has generously been donating her beautiful handmade socks to our club for us to sell. Proceeds from her socks are going into a newly formed "Socks for Socks" fund to purchase more socks for Healthy Families. All of us together, buying something as simple as a few pair of socks, are warming feet and hearts and bringing comfort to our community in a most needed way. Thank you all for your generous hearts and Happy New Year!

SERVING UP HUMAN TRAFFICKING

The clubs on the Olympic Peninsula are again collaborating on a human trafficking event. It is scheduled for **Thursday, January 28, 2016** at **Peninsula College** during **the Studium Generale** class held around **noon** on that day. Martha Hurd from the Port Angeles Jet Set club has contacted Megan Bruneau, who works in the human trafficking section of the Seattle Police Department to be our speaker. Megan has also lined up a partner to accompany her who works in the federal arm of human trafficking. Some of you may know or remember Megan. She was our human trafficking speaker four years ago. Megan grew up in Port Angeles. She plans to cover the topic of trafficking related to servitude of victims being forced to work.

SAVE THE DATE
January 28, 2016
Peninsula College

The PA Jet Set club is checking with the college to see if we can put out a donation jar and have a table with Soroptimist handouts about human trafficking. They think Megan may be connected with a safe house or training center for victims coming out of human trafficking and we are thinking that is where any donations would go to this year.

HOLIDAY JOY 2015

I think this is our club's sixth year of helping Healthy Families of Clallam County and Beverly Hoffman with her Christmas program called Holiday Joy. As most of you know it consists of sponsoring a family for Christmas and also helping with Family Day. In Beverly's thank you note she indicated that Holiday Joy sponsored 130 women, men and children, encompassing 44 family units this year.

I would personally like to thank all of you who participated in some way, either adopting a family or helping with Family Day. I know it's a busy time of year for everyone, so your efforts are doubly appreciated. Without your help most of these children would have received very little if anything for Christmas.

This project fits our Soroptimist goal of improving the lives of women and girls (children).

~Kathleen DeJong

"The joy of brightening other lives, bearing each others' burdens, easing others' loads and supplanting empty hearts and lives with generous gifts becomes for us the magic of Christmas." ~W.C. Jones

We presented Becca Korby with a check for \$1,200.

MUJERES UPDATE

Dear Soroptimist Sisters,

I hope you all had good holidays. As you know, I missed the summer trip to Chiapas due to a head injury, but am happy to report that I am traveling there the end of January. I will be attending the bi-monthly meeting of the cooperative, presenting two new scholarships (this is usually done in the summer, but these two girls are starting mid-year), and making visits to communities.

We are delighted to announce two new programs!! One is our 4th Saturday Children's Program that will start in January in the city of Yajalon. The second is a comprehensive series of workshops that will take place between March and December. These workshops will deal with literacy training for volunteers, accounting and managing bank accounts, the importance of community participation, gender equity, health, marketing their weavings and problem solving. A total of 200 workshops will take place.

I will be taking a suitcase full of over 100 toothbrushes, floss and hard glasses cases with me. Thank you for this!

I wish you all a very Happy 2016.

FIRST STEP TOUR

First Step Family Support Center has been one of the recipients of our Committed Funds for many years. When the Finance Committee reviewed their annual request for funds and compared it to our Rubric, First Step Family Support Center met all of our requirements. Their mission is “to promote the healthy development of children and families in Clallam County.” In the past, one of the members of their organization has visited our meeting to receive a check.

This year, on December 9th, President Jane Manzer, new member Joan Miller, and I scheduled an appointment at their facilities for a tour and to present our check at their Board meeting.

Executive Director Nita Lynn gave us a tour of their amazing facilities encompassing three buildings. They provide an entire spectrum of offerings including cooking classes, maternity support services, parent-child assistance program, first books program, infant case management, and much more. Their website at www.firststepfamily.org is an excellent site to see more about the programs that they provide.

We toured rooms where families and their children can drop in weekday afternoons to connect with staff or to share experiences with other drop-in clients. They offer nursing and nutrition counseling as well as cooking classes with fresh produce provided by the Port Angeles Farmer’s Market. They have a well-organized clothing locker with everything from women’s to children’s clothing, sorted by size. Anyone can come and help themselves, or recycle clothing that children have outgrown or other clothing no longer needed. There are both outside and inside safe play areas for the children while parents are taking a class or receiving counseling.

After our very enlightening tour of their facility (it’s both attractive and functional) we were introduced to their Board and we presented them with our check for \$1,200. Nita indicated that our check would be used for the drop-in center in Sequim. We were delighted to get a glimpse of their facility and see the many programs that they offer to the parents and children in our community. We are confident that our committed funds are well used. In 2015 they served 5,000 adults and children in Clallam County.

**THANK YOU — THANK YOU — THANK YOU
THANK YOU, DEAR MEMBERS!**

We can't say it enough, so once again, **THANK YOU** to all members for your enthusiastic help making the 2015 Gala Gift Show a huge success. Our profits were up and the shoppers came in spite of the weather. The majority of the vendors were happy with their sales. It was heart-warming to witness the amazing **YOU** as you jumped in to help when others couldn't, used your creative spirit to overcome obstacles, and were at the show in force to show your support and to help. At our wrap-up meeting, the 2015 Gala Gift Show committee unanimously recommends that our **Gold, Black and White Gala** shine again in 2016 to bring holiday joy to the shoppers of Sequim.

SEE'S CANDIES

See's sales were outstanding for December—the best that they have ever been! Santa delivered an exceptional amount of candy to all the good boys and girls on his list this year. We have developed a loyal following of customers in the past, and have gained and continue to gain many new customers—which is contributing to the overall wonderful See's sales. A special thank you from myself and our See's customers, for those of you who picked up candy—and also to Marty, Char, Antony and Hillary at Sequim Spice and Tea for their contribution to making it such a successful Christmas for Soroptimist.

~Sandy Hutter, See's Candies Chair

STARRING ROLES

Here it is 2016! When did that happen? While we all try to figure out where the year went I want to thank all of you who have donated to Lucky Star. So that brings me to future donations. I do appreciate your efforts when you drop things off yourself to the store, but sometimes that complicates things a little. If the owner is not there, often times, things are not credited to the correct account. If you have something to donate, give me a call and make sure I will be at the meeting. If I am not attending, I will be happy to drop by your home and pick up. I am just a phone call away. Again, thank you for all that you do to support this seemingly silent fundraiser. It may be small, but it supports our mission.

- ◆ Vendor booth spaces are a HOT commodity! There are only 14 spaces left, with four of those spoken for but not paid for. We are way ahead of where we were the past two years at this date!
- ◆ Remember, if you plan to be a sponsor, send/give your paperwork to Kathy Purcell, who will pass it along to Shelle & Colleen.

It is with sincere gratitude that we send Soroptimists this letter of appreciate to you for your recent donation of four Gala Garden Show tickets for our annual Visitor & Information Center (VIC) Volunteer Appreciation Luncheon.

Dear Soroptimists,

Because of your generosity [\$2,000 Scholarship], we want to keep you informed of our family.

Thank you again for helping our daughter, Sarah.
Dawn Thomas

Excerpt from the family holiday letter...

Sara graduated from Sequim High School with Honors this past June. She is soon to be in her second quarter at Peninsula College. She would love to pursue something in photography but she knows that photography is a very hard career to support a family. She is thinking about a career in Early Education with a minor in Learning Disabilities. Another thought is Sport Physical Therapy. Sarah was awarded several scholarships adding up to \$12,000 from the Albert Haller Foundation, SSD Rowland Memorial Foundation and Sequim Soroptimist. All were from our location community. Without them and God's favor, Peninsula College wouldn't have been possible for our family!

Irrevocable Verge *by by K.D.*

Comes nearer, the irrevocable verge,
Irresistible, circling surge.
Vortexing voice quickens apace,
Daunting, approaching embrace.
Time to blindly, boldly leap,
Searching within one, go deep.
Not to falter or fall but to ascend,
Inner soul to answer and mend.
Truth brings sweet healing and grace,
Occupy this entire space, this very place.
Newness and calling, step into the light,
Feeling happy, being me, feeling right.
